

World Youth Day Sydney – July 2008

New Zealand extension

Booking Ref: 553948

PARENTAL CONSENT FORM FOR ACTIVITIES DURING EXTENTION VISIT

I am aware that this extended package, 11 day New Zealand explorer, arranged with Connections Adventures is an exclusive coach trip arranged directly with Westminster Diocese and Connections. It includes a tailor-made programme incorporating days in the Catholic Diocese of Palmerston North. While taking part in the New Zealand extension normal pilgrimage rules apply. I understand that this is not a typical Connections tour.

Connections are a reputable, highly regarded operator in New Zealand and Westminster Diocese has chosen them due to their expertise and reputation for well run activities and use of highly qualified staff.

The Pilgrimage Director may occasionally be advised that certain activities on offer in local destinations are designed for pilgrims over 18 years old. I understand that no permission will be given locally and no permission forms will be signed by a group leader or Pilgrimage director. Examples of the type of activity that will be offered are attached to this form. By signing below I give permission for my son / daughter to take part in the extreme adventure activities that may be offered as part of the package.

If the pilgrim is under 18 years old during the trip, this form must be signed at (*) by a parent or guardian.

Please write clearly, preferably in black ink, since copies of this form will be made and left with our home contacts in the UK. Please also feel free to add any other information which you feel may be useful, either on this form or to the Pilgrimage Director or Doctor.
